SHINE PROJECT OFFICIALLY LAUNCHED IN GDAŃSK

The SHINE project (Strategic Higher-education Initiative for Networking and Engineering) officially kicked off on 28–29 November 2024 in Gdańsk University of Technology, Poland. The meeting brought together all project partners to align on the project's objectives, structure, and implementation roadmap.

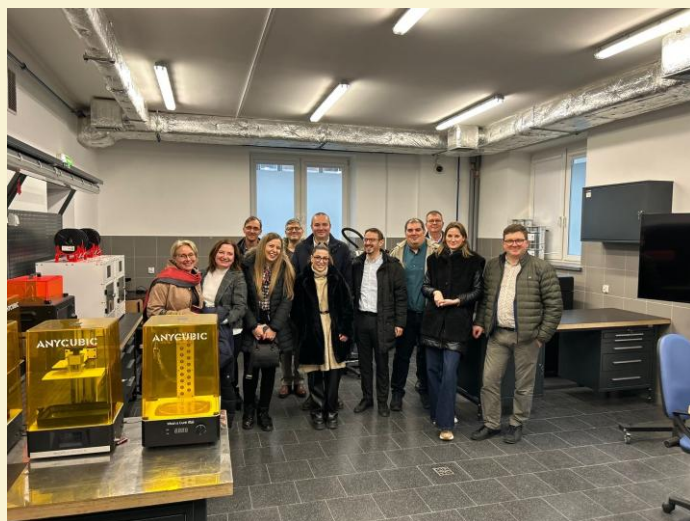

SHINE aims to develop an innovative teaching methodology by integrating STEM/STEAM and pedagogical approaches, supported by iHUBs and a Metaverse platform, to enhance higher education with transferability to VET and adult learning.

PROJECT CONSORTIUM

The SHINE project is implemented by a strong consortium of partners from 5 European countries: Poland, Bulgaria, Serbia, Romania, and Greece.

The consortium consists of:

- Gdańsk University of Technology (Coordinator)
- Veliko Tarnovo University St. Cyril and St. Methodius
- University of Niš
- Technical University of Cluj-Napoca
- NiCAT Cluster
- Ionian University
- Institute of Entrepreneurship Development
- Transilvania IT Cluster

SHINE INFO DAYS

To enhance stakeholder engagement and project visibility, the SHINE consortium organized a series of Info Days, reaching approximately: **300 participants!**

Gdansk, Poland

These activities contributed to raising awareness, strengthening collaboration, and engaging key stakeholders across sectors.

Niš, Serbia

These Info Days offered an opportunity to showcase SHINE's vision, highlight key results, and engage participants in discussions on the future of higher education.

Cluj, Romania

The events also helped gather feedback from participants, contributing to the ongoing improvement and relevance of the project's outcomes.

Larissa, Greece
